

AMERICAN KEY RECOVERY SERVICE

Welcome New Member

INSTRUCTIONS

1. After opening the package, place the Key Tags on your Keys (up to 3 sets of Keys) Take the Members ID card and put it in a safe place.
2. If you haven't done so already, take a picture of all three sets of keys. Either send the picture(s) with an online registration or keep them in your camera phone for future reference. You won't get a chance to take this picture again once your Keys are lost.
3. REGISTER YOUR KEYS (by Members # with AKRS) You may fill out the Registration Card Enclosed in your packet and mail it to the address included, or print out a Members Registration Form from the Website (Available in .pdf form to print and mail, or in .doc form which can be completed on your computer and emailed to us) or you can use the AKRS Members Online Registration Form (available on the website) However you choose to register, you will receive an email confirmation within a week that says your registration is complete. It is your responsibility using one of these methods to keep your information current. Your information remains in our secure, confidential Database, at our Corporate Offices. Your information will never be sold, posted, or released to anyone. It is strictly for our ability to contact you if property containing your ID Number is found.
4. Place your stickers on other Valuable property, such as your cell phone, iPhone, iPad, Computers, or other property you take out with you and are subject to being stolen. If we are contacted about property belonging to you with these stickers, our retired, former Police Investigators will negotiate the return of the property, with no risk or exposure to you or your personal information. Handling property other than Keys is very different because of the value and the reason it may be missing. We offer this as a courtesy to our Members because we love what we do and did for many years.
5. You are now finished. Keep your Members Card in a safe place where you can find it if need be. Be sure to update your information if anything changes over the 5 years. Let's hope we have no reason to communicate over those 5 years and you never have to experience the pain and hassle of losing your valuable Keys.

This program is renewable after 5 years. If no new tags are needed, your guaranteed fixed renewal rate is \$10 for an additional 5 years. If new tags are needed, just purchase a new package and register again.

Thank You for your purchase and we hope our product gives you peace of mind, knowing your keys now have a greater possibility of being returned if lost.

Larry Giles
Keeper of the Keys
